

A group of business professionals in a meeting. In the foreground, a woman with short blonde hair is smiling and looking towards the right. Behind her, a man with a beard and glasses is looking in the same direction. To the right, another man with a beard is looking towards the camera. In the background, a man with a beard is standing and gesturing with his hand. The setting appears to be a bar or a lounge with shelves of bottles in the background.

IPMA Education & Training Registration System – IPMA REG

Global network of quality courses / programmes in Project Management
and related fields

About IPMA REG

The IPMA Education & Training Registration System is a premium IPMA product that brings together educational and training organisations and freelancers offering quality courses and programmes in the field of project management with individuals looking for opportunities to develop or improve their competencies.

IPMA registration is currently available in 42 countries.
Full list of countries and contacts is available at:
<https://reg.ipma.world/reg-partners/>

IPMA REG for providers

If you operate as an education/training provider and would like to have international quality recognition and promotion of your educational/training material, contact your local IPMA Member Association and apply to be IPMA registered.

The assessment process of the applied material is carried out in the country in which providers have their headquarters (organisations) or are registered for work (freelancers).

Types of registration and prerequisites

General education/training including selected competence elements (CE) defined by the global IPMA standard Individual Competence Baseline:				Exam preparation for IPMA certification including all competence elements (CE) defined by the global IPMA standard Individual Competence Baseline:

Application and registration process

APPLICATION AND REGISTRATION PROCESS

The registration process begins by submitting the application form via my.ipma.world. Your application documentation is assessed by two independent REG Assessors operating within the national IPMA Member Association. Courses/programmes accepted by REG Assessors receive IPMA confirmation and providers the status of IPMA REG Partners.

BENEFITS FOR IPMA REG PARTNERS

- » international recognition of quality and registration in the global IPMA REG database
- » use of the IPMA REG quality mark and digital badges
- » visibility among customers in more than 70 countries
- » interconnection of registered courses/programmes with the IPMA Continuing Professional Development (CPD) hour scheme for IPMA re-certification

RECOGNITION OF PRIOR LEARNING AND ACHIEVEMENT – RPL&A

Connect your Education programme with IPMA level D certification

Educational institutions that register an education programme and acquire IPMA REG Partner status have the option to link their education and IPMA certification. In this way, they can provide students who have successfully completed their programme the opportunity to take the reduced IPMA level D exam. For more information on applying for the RPL&A pilot, contact your national IPMA Member Association.

IPMA REG for individuals

If you are looking for quality education/training to develop or improve your knowledge, skills and abilities in the field of project management, IPMA offers you a spectrum of REG Partners around the globe to choose from.

The complete list of IPMA REG
courses and programmes:

BENEFITS FOR COURSE/PROGRAMME PARTICIPANTS:

- » internationally verified personal qualification (IPMA CPD Record & Proof of Participation credentials and digital badges)
- » increased global visibility among experts in the field of project management (through my.ipma.world)
- » professional development and career monitoring in the field of project management (CPD points)
